Why choose the lunch break?

- **Safe Fun for Little Ones:** This is the most recommended tour for families with children. The more pleasant temperatures and relaxed atmosphere allow little ones to enjoy the outing without the stress of extreme cold. They can play in the snow, making their first mountain experience unforgettable. We have no age limit for children, so everyone can enjoy the family adventure.
- **The Perfect Plan for Large Groups:** Coming with friends or extended family? The lunchtime option offers the perfect balance of adventure and togetherness. Enjoy an exciting boat trip followed by delicious fondue and wine to toast with in a unique, calm, and peaceful setting. (Inquire about private experiences for large groups; we recommend booking in advance.)
- **Endless Views for Sun-Drenched Souls:** Under the midday sun, the horizon becomes sharp and the details of the snow-capped peaks and the beauty of the snow-covered forest stand out like never before. It's the ideal time for photography enthusiasts and those who wish to appreciate the vastness of the landscape.

Why choose the dinner shift?

- **The "Golden Hour"** (First Dinner Seating): We offer a special evening seating for those who want the best of both worlds. This seating allows you to begin your journey with the last colors of sunset on the horizon, enjoying the best view of Bariloche, and then experience the transition to night and descend under a blanket of stars.
- **Intimate atmosphere:** Looking for an unforgettable moment? Nighttime is a favorite among adventurers who want to unwind after a day of skiing. Ascend the winding snowy road to reach our cozy refuge: an intimate ambiance, candlelight, and the warmth of the hearth create the perfect setting for a magical mountain experience that will awaken all your senses.
- **A Fairytale Setting:** Traveling along the winding, snow-covered road while the world sleeps is an indescribable feeling. In the heart of the Andes Mountains, you'll experience the thrill of venturing through the forest under cover of darkness. After the adventure, it's time to relax in our refuge: enjoy the finest fondue paired with wine, in a warm and inviting atmosphere illuminated by candlelight. It's an unforgettable sensory experience that combines the adrenaline rush of exploration with the pleasure of a mountain feast as the forest slumbers.
