Description

During any time of the year, as you go down Bustillo Avenue towards the West, you can begin one of the more beautiful and comprehensive trips offered by our Parque Nacional Nahuel Huapi: Circuito Chico. It's a half day trip that goes around the southern border of the Lago Nahuel Huapi, in a 65 kilometers long tour. Along the way, you can go through beaches like Playa Bonita or Bahía Serena, some natural lookout points, like Bahía López and Punto Panorámico, ideal spots to enjoy the wonderful scenery; from there you can see the chair lifts to Cerro Campanario, the Bahía Llao Llao (Bay,) Puerto Pañuelo and other fascinating sights. You can experience Puerto Pañuelo, Llao Llao Hotel and Capilla San Eduardo (Chapel,) all singular attractions for all visitors. Circuito Chico is a very comprehensive trip. Aside from the scenery, there's an ample offering of regional artisan-made products: weaves' woods, candles, ceramics, cosmetic products, and more. It's a trip to enjoy oneself. The beauty of the surroundings follows you throughout the whole trip.
