- What to Expect

An experience designed to complement one of the most beautiful moments of the day in Bariloche.

From the start, the route skirts Lake Nahuel Huapi, where the landscape begins to transform as the sun sets.

It's not a tour with stops along the way; it's an experience designed to arrive at the perfect moment.

The tour continues directly to the brewery, where you can enjoy the sunset from a prime location. There, you'll learn about the beer-making process and then relax in a laid-back atmosphere with all-you-can-eat pizza and a complimentary drink.

It's a plan without rushing, where the protagonist is not the quantity of places, but the quality of the moment: the landscape, the light and the feeling of closing the day as it should be.
